MEMORIAL THICKET[SM] MAP

MTHA BOARD OF DIRECTORS

President	Ray Schmidt	832.418.1111 MTHAboardpresident@ gmail.com
VP Operations	Fred Kippes	832.690.8096 MTHAboardoperations@ gmail.com
VP Security	Jerry Fabian	713.854.7957 MTHAboardsafety@ gmail.com
Treasurer	Susan Sanchez	713.806.0970 MTHAboardtreasurer@ gmail.com
Secretary	Cynthia Martinez	515.534.7558 MTHAboardsecretary@ gmail.com

The business of Memorial Thicket℠ is conducted by the MTHA through its five elected, volunteer directors in accordance with its Declaration of Covenants, Conditions, and Restrictions (DCCRs), Articles of Incorporation, Bylaws and Policies. Directors are elected for three-year terms at the Annual Meeting of Homeowners generally held the first Monday in December. Directors receive no compensation. Each building lot is entitled to one vote at the annual or any special MTHA meeting of homeowners.

ARCHITECTURAL CONTROL COMMITTEE (ACC)

Chairman	Sherry Campbell	281.797.7892 sherry@energy-realty.com
Member	Shaz Butte	
Member	Marjan Safarzadeh	832.788.6363 marjans13@yahoo.com
	accmemorialthicket @gmail.com	

The ACC is responsible for ensuring that the restrictions on construction and the architectural guidelines as set forth in the DCCRs and Policies for Memorial Thicket℠ are complied with. The ACC reviews plans for exterior construction or remodeling, including fences, mailboxes, driveways, landscaping, drainage, electrical equipment and pools. Homeowners need to contact the ACC before undertaking any modification of their residences or properties.

Declaration of Covenants, Conditions, and Restrictions (DCCRs)

Chairman	Andres Portillo	832.491.2375 MTHAboarddccr @gmail.com

MEMORIAL THICKET℠ SOCIAL ASSOCIATION (MTSA)

Memorial Thicket Social Association's (MTSA) purpose is to promote a sense of community through events, gatherings, and activities that encourage an inclusive, friendly neighborhood.

How Can I Participate?

All residents are encouraged to join and participate as it is a great way to meet your neighbors. Membership dues are $40 annually if paid by March 1st. After March 1st, dues are $50 per household per year. All residents (homeowners and those renting homes in Memorial Thicket℠) are welcome at the events and encouraged to join the MTSA. We look forward to a great year but cannot do it alone! We need your talents, time, and volunteer efforts to make each event a success. If you are interested in getting involved to assist with an event or have an idea for an event, please reach out to a board member today for additional information.

POLITICAL NOTES

Memorial Thicket℠ is in **Precinct 95**

Residents who are registered to vote in Harris County may vote at any polling location in the County during Early Voting or on Election Day. Visit **www.harrisvotes.com** for a list of polling locations.

Our polling place generally is:
Econo Lodge Inn & Suites (715 Hwy 6 South)

Our City Council Member (District G) is:
Mary Nan Huffman (832.393.3007)
districtg@cityofhouston.net

Our County Commissioner (Precinct 4) is:
Lesley Briones (713.755.6444)
service@hcp4.net

Our Justice of the Peace (Precinct 5, Place 2) is:
Bob Wolfe (713.274.0800)

Our Texas State Senator (Senate District 17) is:
Joan Huffman (512.463.0117)

Our Texas State Representative (District 133) is:
Mano DeAyala (512.463.0514)

Our Texas U.S. Representative (District 38) is:
Wesley Hunt (832.357.0555)
https://hunt.house.gov/contact/offices

Our Mayor is:
John Whitmire (311 or 713.837.0311)

MEMORIAL THICKET℠ WEBSITE
HTTPS://WWW.MEMORIALTHICKET.ORG

MEMORIAL THICKET℠ OVERVIEW

For all of our residents, both old and new, this Information Guide and Residents Directory, and our website, www.memorialthicket.org, should provide much of what you need to know about Memorial Thicket℠. Additionally, you may obtain helpful information from the Security Guards at the Guard House (located at the entrance/exit to Memorial Thicket℠), your neighbors, the Memorial Thicket Homeowners Association, Inc. (MTHA) Board of Directors, the ACC members and the Memorial Thicket℠ Social Association (MTSA). Names of these folks are listed on pages 5, 6 and 7, respectively.

Memorial Thicket℠ is a community of 158 single family homes located in the heart of the Energy Corridor. Our community of custom homes offers many unique amenities including a number of homes either backing up to Terry Hershey Park or having beautiful ravine views. One of the unique benefits of living here is that we have access to the developed portion of Terry Hershey Park and trails via the sidewalk on both the south and north sides of Memorial Drive. We also have access to the undeveloped, western portion of Terry Hershey Park through a foot path at the south end of Old Stone Trail.

There is only one entrance/exit to Memorial Thicket℠, via Plainwood Drive off Memorial Drive. It is manned by a 24-hour Security Guard (when not out patrolling the neighborhood) and equipped with security cameras. Memorial Thicket℠ streets are owned and maintained by the City of Houston and are, therefore, public thoroughfares. Please observe a safe speed of no more than **25 mph** when driving through the neighborhood.

Memorial Thicket℠ is home to people from many different countries and States with a variety of occupations and backgrounds. This truly is a community filled with many fun and helpful residents with numerous social gatherings organized by the MTSA. Besides creating an enjoyable environment to live in, we all share the common goals of maintaining the values of our homes and keeping our community safe.

MTHA PROVISIONS & SERVICES

This Information Guide summarizes some of the provisions of MTHA's DCCRs, Bylaws and Policies. Those documents may be viewed and downloaded in their entirety by accessing the Memorial Thicket℠ website at www.memorialthicket.org.

In December of each year every building lot in Memorial Thicket℠ is assessed an amount to cover the projected MTHA expenses and services for the next calendar year. Assessments are due January 1st, and administration fees for past due assessments begin accruing February 1st.

MTHA's objectives are to enhance homeowners' property values, maintain the attractiveness of our neighborhood, and promote a safe and secure community for the residents. MTHA accomplishes these objectives by contracting for 24-hour security and alarm monitoring for the neighborhood, by landscaping and beautifying common areas, by contracting for trash removal and recycling, and by enforcing restrictions on property use, construction and the architectural guidelines as set forth in the DCCRs and Policies for Memorial Thicket℠.

Services include:

- 24-hour security services throughout Memorial Thicket℠.
- Residential alarm monitoring.
- Trash and recycling pick-up.
- Landscaping and maintenance of common areas.
- Capital replacements and improvements.
- Approval of plans for buildings, improvements or exterior alterations.
- Resolution of deed restriction violations.
- Neighborhood Watch.
- Administration of MTHA business affairs.

Directors conduct the affairs of the MTHA including:

- Appointing officers.
- Managing the affairs of MTHA.
- Adopting and publishing rules of conduct for residents and establishing penalties for infractions.
- Exercising all powers delegated to the MTHA by the Articles of Incorporation, Bylaws, DCCRs and Policies.
- Engaging managers or contractors.

Article VIII of the DCCRs places a number of specific restrictions on homeowners' use of their properties. These restrictions include:

- All plans for exterior construction or remodeling, including fences, mailboxes, driveways, landscaping, drainage, electrical equipment and pools, must have the approval of the Architectural Control Committee.
- Residences may not be used for business or other non-residential purposes.
- No trash or other debris shall be kept on any lot. Prior to removal from the lot, all prohibited matter must be placed in sanitary refuse containers in an area adequately screened by plantings or fencing so as not to be seen from neighboring lots.
- Except to the extent permitted by the Signs and Billboards Display Policy, billboards and signs are not allowed on the property.
- All improvements, trees, plantings and hedges are to be maintained in a neat and attractive condition.
- Fences, walls, trees, plantings and hedges are to be maintained in a manner so as not to obstruct sight lines for vehicular traffic.
- Tree houses and metal storage outbuildings are not permitted.
- Boats, campers, trailers, recreational vehicles, trucks and towable equipment cannot be parked on any lot except in an enclosed garage.
- Clothing or other materials may not be air dried outdoors.

SAFETY, SECURITY AND NEIGHBORHOOD WATCH

The VP Security (contact information is on page 5) is responsible for coordinating the contractual services to provide 24-hour security service throughout Memorial Thicket℠, including alarm monitoring services and all aspects of the entrance/exit Guard House.

Security Guards

A Security Guard is on duty 24 hours a day every day of the year in Memorial Thicket℠ and can be reached by cell phone (713.501.5406). You are encouraged to program that number into your home and cell phones.

Please treat our Security Guards with the courtesy and respect they deserve for protecting our families and homes and for the tremendous amount of help they give to all Memorial Thicket℠ residents. Introduce your family members to them so that they and you will recognize each other.

New Residents

New residents are encouraged to ensure that their homes' security alarm systems are in working condition prior to moving in. In addition, each family should fill out a Resident Information Sheet, a No Soliciting Form (included in the New Residents Package) and place a Memorial Thicket℠ decal (also included in the package) on each of their vehicles. (Additional details below.)

Resident Information Sheet

Please complete the Resident Information Sheet and return it to the Security Guard at the Guard House at the entrance/exit to Memorial Thicket℠. The primary purpose of the form is to identify you and your family to the Security Guards, and it is their record of how to reach you or someone you designate in case of emergency. Its secondary purpose is to provide information for the Residents Directory unless you elect otherwise. Please stop by the Guard House and update this form any time information changes. We encourage you to check your family's information at least once a year when the Residents Directory is updated in January.

Security Alarm Monitoring

Each residence is required to have a working burglar, fire and emergency alarm system. MTHA has a contract with a private company, Smith Thompson (713.492.1064), to monitor our homeowners' alarms.

Under the procedures in place, when an emergency or burglar alarm goes off, Smith Thompson central dispatch receives the signal on their monitoring system and then calls the Security Guard on duty, who responds to your alarm, usually within a matter of minutes. However, since most of the alarms in Memorial Thicket℠ are false ones, Smith Thompson will then call the homeowner to verify the emergency or false alarm.

When signing up for security with Smith Thompson, the homeowner is allowed to provide to Smith Thompson three phone numbers to call, if an alarm is sent. The MTHA board suggests that the first number provided by the homeowner is that of the Security Guard, then the homeowner and then a third number to be called, if one of the first two numbers is not answered. If none of the three calls are answered, Smith Thompson will call the police to dispatch an officer.

In the case of a fire alarm the Smith Thompson dispatcher immediately calls the Houston Fire Department before notifying the Security Guard.

The Smith Thompson monitoring fee is included in your annual assessment. Of course, you may choose someone other than Smith Thompson to install a system and monitor it for you, but you should be aware that this will not reduce your annual MTHA assessment. When you use another alarm monitoring company, you are responsible for ensuring that notifications are properly made to the Security Guard.

MTHA's contract with Smith Thompson is a monitoring and not a service or maintenance contract. Initial installation, service and maintenance costs are the responsibility of the homeowner. You may use any contractor you wish for installation, service and maintenance, even if you use the MTHA monitoring system through Smith Thompson.

Upon first moving into Memorial Thicket℠, if you choose to connect to the Smith Thompson monitoring system, call their number listed above and talk to a customer care representative, who will advise you further on how to connect. If connection problems still exist, please contact a Security Guard or the VP Security.

Vehicle Decals

The Memorial Thicket℠ logo identifies your vehicle to our Security Guards as one belonging to a Memorial Thicket℠ resident. Each of your family's vehicles should have a decal. Ask a Security Guard for additional decals when you need them.

As soon as possible after moving in or purchasing a new vehicle, place the decal inside the front windshield on the driver's side above the state registration sticker. Before selling, trading or gifting your vehicle, remove the Memorial Thicket℠ decal.

Yard Lamps

Memorial Thicket℠ does not have street lights and each residence is required to maintain a front yard post lamp equipped with a photoelectric cell (if the lamp is electrical) for general lighting at night. If your yard light has burned out, you should replace the bulb immediately. For those who forget, the Security Guard will place a Lamp Post Notice in your mailbox while making rounds on the night shift.

No Soliciting

Our Security Guards are watchful for persons making door-to-door solicitations or putting fliers in mailboxes as they may constitute a security risk. To eliminate this risk, our Security Guards will notify the solicitor that most of our residents have signed No Solicitation forms and ask the solicitor to leave the property. If the solicitor refuses, our Security Guard can then call the police as further solicitation can constitute trespassing. Since the No Soliciting Form is the basis for the trespassing charge, it is strongly recommended that you complete the form and turn it in at the Guard House. If you choose not to complete the form, our Security Guard can take no such action at your residence since our streets are public and door-to-door solicitation is not restricted without proper notification to the solicitor.

Forms are available at the Guard House.

Out of Town Notice

If you plan to be out of town or away from home overnight, you are encouraged to complete an Out of Town Notice (available at the Guard House and on the website). When the Security Guards know that you are away, they are instructed to maintain extra surveillance around your property.

The essential contact information is your name, Memorial Thicket℠ address and cell phone number, if it will operate in the location where you will be. In case of an emergency or alarm call at your property, it is important to include the phone number of a nearby friend, neighbor or family member who may have an entry key and/or the alarm code for your home. For convenience some residents leave an entry key and the alarm code in a sealed envelope with the Security Guard at the Guard House on their way out of town.

You should have a neighbor collect your mail or have the post office hold your mail until your return. It is also a good idea to stop your newspapers until you return.

Safety and Security Reminders

As individual homeowners and residents, there are many things we can do to make Memorial Thicket℠ a safe and secure neighborhood. Here are a few reminders.

- Please observe a safe speed of no more than **25 mph** when driving through the neighborhood. Children, walkers, joggers, bikers and cars must share our streets since we have no sidewalks. Be especially careful at the entrance/exit to Memorial Thicket℠, where school buses load and unload children and adults often stop to ask questions of the Security Guards. Come to a complete stop at all stop signs, especially at the intersections of Plainwood and Memorial and Plainwood and Walkwood.

- Park your vehicles in your driveway or garage whenever practical and do not leave them on the street at night. Street parking may be a convenience for you, but it can be an inconvenience to your neighbors, service vehicles or emergency vehicles. Furthermore, cars parked on the street are more prone to vandalism. In addition, under Houston City Ordinance Sec. 26-93, it's illegal to park on the street for a longer continuous period of time than 24 hours.

- Do not leave valuables in your vehicles, even when it is locked.

- Place children's toys and other items out of sight from the street when not in use.

- At night, leave outdoor lights on, particularly around driveways, the back of the house, the lawn and the front door.

- Always set your alarm system at night and when leaving home, even for short absences. When your alarm system is inadvertently triggered and you are present when the Security Guard answers the alarm at your home, show yourself to the Security Guard so that he will know for certain that it is a false alarm and you are not being held against your will. Even though you know the alarm was set off by mistake, do not discourage the Security Guard from answering the alarm. The Security Guard must respond to the call according to procedure.

- If you are returning home and think you are being followed, stop at the Guard House and tell the Security Guard of your suspicions. Ask the Security Guard to follow you home. If the Security Guard is not at the Guard House, call the Security Guard on their cell phone (713.501.5406), then drive through the neighborhood until you locate the Security Guard or go to a safe location and get help.

Neighborhood Watch

All of these security measures, taken together, are our Neighborhood Watch program. The VP Security coordinates the program and publishes a security newsletter periodically. You can support the program by being involved and by being aware of security situations that affect you and your neighbors.

Be watchful of the activities of contract workers and delivery personnel in the neighborhood. Immediately report any suspicious activities to the homeowner and to the Security Guard.

Introduce yourself to and get to know your neighbors and their children.

If you do not know our Security Guards, stop by the Guard House or stop them on patrol and introduce yourself and your family. It is important for you and our Security Guards to be able to recognize each other.

Be involved and be aware!

OPERATIONS AND LANDSCAPING

The VP Operations (contact information is on page 5) is in charge of trash and recycling collection, and beautifying, maintaining, managing and operating the common areas of Memorial Thicket℠, most of which is accomplished through contractual services.

Refuse, Trash and Recycling

Trash pickup is Tuesday and Friday of each week; recycling pickup is Tuesday only. When a holiday falls on Tuesday or Friday, pickup will be deferred until the next regularly scheduled pickup day. Household refuse and recycling must be placed in appropriate receptacles (trash cans, bins or plastic bags) supplied by the resident (a sticker is available at the guard house to indicate that a receptacle is designated for recycling). Household refuse will be picked up at your gate (provided it is not locked or a dog is not inside), garage door or back door. Recycling does not have to be placed at the curb, but the receptacle must be visible from the curb. If there is confusion on the pickup point, contact the VP Operations. **Except as noted below, there is no need to place your trash at the curb.**

Our trash disposal contract calls for all yard waste and heavy trash to be placed at the curb for collection. So if you have bags of yard leaves or lawn clippings, please put the bags at the end of your driveway or sidewalk. Trimmed, small tree branches should be cut into four-foot lengths and, if not placed in trash cans, tied into small bundles and also placed at the curb. **Do not place your yard waste and heavy trash at the curb until the night before the collection day.** Make sure your landscaper is also aware of this.

Trash and recycling should be neatly placed at the proper location no sooner than the night before collection day in suitable containers to prevent spillage or scattering by foraging animals.

If you require putting your trash out at the end of your driveway or sidewalk for pickup, please ensure that your containers are returned to their regular place by the end of the pickup day.

Please assure that the contractors you hire to do tree trimming, home repairs and replacement of appliances remove all trash from your property when they leave. Building and construction materials will not be picked up by our trash collectors.

Chemicals, cleaning products, oils, paints, solvents, herbicides, pesticides, and other toxic or environmentally unfriendly substances must not be placed for collection with the trash nor disposed of down the drain or in the open environment. These items may be disposed of

at the City of Houston Environmental Service Center at 11500 South Post Oak Boulevard on Tuesday and Wednesday 9 am to 3 pm and the second Saturday of each month 9 am to 1 pm. (Check the hours of operation prior to making the trip.)

Neither you nor your contractors should dispose of trash or yard trimmings in the storm sewer system, the ravines or bayous. This could cause local flooding of our streets and homes during heavy rains.

Landscaping of Common Areas

The VP Operations is responsible for managing the contractors who maintain the Memorial Thicket℠ common areas at the entrance/exit and around the cul-de-sacs. This includes mowing, cleaning, trimming of plants and trees, irrigation upgrading and maintenance, and flower planting and replacement.

ARCHITECTURAL CONTROL COMMITTEE

The members of the Architectural Control Committee (ACC) are appointed by the MTHA Board. The ACC's duties are specified in the DCCRs and certain policies. Article VI of the DCCRs outlines the duties of the ACC and the guidelines for approving exterior construction or remodeling, including fences, mailboxes, driveways, landscaping, drainage, electrical equipment and pools. These provisions are too detailed to be reviewed here, but homeowners should consult and become familiar with them prior to undertaking any modification of their residences or properties. Homeowners need to contact the ACC before undertaking any modification of their residences or properties. Changes or additions to properties have an impact on Memorial Thicket's℠ appearance and ultimately on homeowners' property values.

Contact accmemorialthicket@gmail.com about any changes or plans you may be contemplating for your property. Further contact information is on page 6.

ACCESS HELPFUL NEIGHBORS

We hope you find this Information Guide useful. And it is worth repeating, if you have questions or need assistance or advice, feel free to contact the appropriate Board member or ACC member. Other valuable sources of information are the officers and members of the MTSA and, of course, your neighbors.

OTHER INFORMATION

City of Houston Pet Ordinances

Leash Ordinance: Section 6-4 of the Houston Ordinances requires pets to remain under direct physical control when not on your property (the "leash law").

Poop Scoop Ordinance: Section 6-24 of the Houston Ordinances states that you are required to pick up after your pets (the "poop scoop" law). Failure to comply may result in a considerable fine.

Microchip Required: Section 6-85 of the Houston Ordinances states, "No person shall own, possess or have control over any dog or cat that is four months of age or older unless the dog or cat has been implanted with a microchip."

Registration Required: Under Article IV of Chapter 6 of the Houston Ordinances, anyone who owns, keeps, possesses or has control of a dog or cat four months of age or older must have his pet registered, vaccinated against rabies and a registered microchip.

Additional Information: Questions concerning animal ordinances may be directed to the Houston Bureau of Animal Regulation and Control (BARC), whose telephone number is listed in the front of this Information Guide and whose website is http://www.houstontx.gov/barc/.

National and Texas No-Call Lists

The Federal Trade Commission and the Texas Public Utility Commission sponsor programs for consumers who do not want to receive telemarketing phone calls.

- To find out more about the National Do Not Call Registry or to register your phone number, you can access their website at www.donotcall.gov or call 888.382.1222.
- To find out more about the Texas "No Call Lists" or to register, you can access their website at www.TexasNoCall.com or call 866.896.6225.
