NO SOLICITORS AUTHORIZATION FORM

Memorial Thicket Homeowners Association, Inc. urges all residents who do not want solicitors and other uninvited persons on their property, at their doors, or littering their yards to complete the **NO SOLICITORS AUTHORIZATION FORM** below and return it to the Guard House at 702 Plainwood Drive.

Our Security Guards can do little to prevent solicitors and other uninvited persons from entering Memorial ThicketSM but they can stop them from being on your private property by enforcing your **NO SOLICITORS AUTHORIZATION**.

By having each Memorial ThicketSM resident's **NO SOLICITORS AUTHORIZATION FORM** on file at our Security Post, our Security Guards will be better able to discourage these persons. This is also an effective crime prevention tool in proactively stopping those who try to use this type of opportunity to further criminal action such as burglary, robbery, and assault.

Thank you for your cooperation in maintaining the security standards of Memorial ThicketSM.
